

## **Praying for Church Ministries**

Open with prayer together thanking God for His many blessings and asking Him to send His Holy Spirit into the midst of your gathering.

Depending on the size of your group separate into groups of two or three and go to each room in the church praying for each ministry that resides there. Pray for the teachers and leaders as well as those who attend. Some rooms may house more than one ministry such as Youth Sabbath School and Pathfinders. Pray over each ministry in that room. Be sure to include the fellowship hall. Hospitality is a ministry in your church whether it is organized or not.

Go through the sanctuary and pray for each individual that will sit in each pew or seat.

Close by joining hands in agreement with one person praying to close the meeting.
