

Week 14

Drink water from your own cistern, flowing water from your own well. Let your fountain be blessed and rejoice in the wife of your youth. Proverbs 5:15,18

The husband should give to his wife her conjugal rights, and likewise the wife to her husband. I Corinthians 7:3

Day 1 - Pray for your husband's desire for you. Pray that it is a desire for all of you; physical, emotional, intellectual, and spiritual. Pray that he sees you for who you are and the way God sees you with an unquenchable need for you as well as a desire to fulfill your needs.

Day 2 - Pray that your husband makes it a priority to spend this time with you giving him the time, the desire, and the energy to take care of his and your conjugal needs.

Day 3 - Pray that God gives you a desire for your husband as well. Pray He gives you the time, the desire, and the energy to spend this time with your husband. Pray He helps you make it a priority in your life and increase your libido to be able to meet his needs in this aspect of your married life.

Day 4 - Pray that your husband's desire for you is wrapped in a deep love and respect for you making it easier for you to submit yourself to him in his desires. Pray that his love is deep and sincere wanting to be close to you and using the conjugal aspect of your marriage to draw intimately close to you. Pray that God opens your eyes to see the sincerity of his love and respect making the intimacy mutual between you.

Day 5 - Pray that your husband finds joy and can rejoice in your intimate relationship causing him to want only you looking no place else to fulfill those desires.
