

## Week 16

*Death and life are in the power of the tongue and those who love it will eat its fruit.  
Proverbs 18:21*

*Let no corrupting talk come out of your mouths, but only such that is good for building up, as fits the occasion; that it may give grace to those who hear. Ephesians 4:29*

Day 1 - Pray that God blesses your husband's tongue that he only speak to you out of love, kindness, and understanding and not out of defensiveness, anger, or hostility. Pray that he lift you up and build you up with his words as well as his actions.

Day 2 - Pray that your husband's tongue reflect God's love to everyone he meets on a daily basis. Pray that people notice the life that he speaks into their life giving the Holy Spirit room to work among those with whom he comes in contact.

Day 3 - Pray that you also remember to speak life rather than death into the life of your husband with words of love, kindness, and understanding ever building him up. Pray that this become a way of life to speak only life to your family and any with whom you come in contact letting the Holy Spirit work through you for your family and those around you at work and in the community.

Day 4 - Pray that the Lord remind you both daily of the grace you receive from Him each day so that you and he can offer the same kind of grace to those in your life especially those who cause you grief and pain for grace is unearned mercy. Pray that God allows you to demonstrate that grace in both of your lives.

Day 5 - Pray that God uses your husband as a vessel for the Holy Spirit to speak through; to know exactly what someone needs to hear from God and to speak it to them. Pray these words of life have opportunity to add to the family of God through grace.
