

Week 17

*Whoever walks with the wise becomes wise but the companion of fools will suffer harm.
Proverbs 13:20*

As iron sharpens iron so one man sharpens another. Proverbs 27:17

Day 1 - Pray the Lord sends your husband Godly friends. Society has taught our men to be islands unto themselves, but men long for companionship. Pray God sends him men with whom he has things in common to share and celebrate in who they are as men of God.

Day 2 - Pray that God tears down the barriers society and life have built around your husband and the other Godly men so that they can truly befriend one another in the truest sense of the word friendship.

Day 3 - Pray that God give you a heart for these male companions of your husband's and that you can encourage him to spend much needed time with them. Pray for your own relationships that God also send you female friends who truly build you up and lift you up in their prayers.

Day 4 - Pray that your husband and the companions God sends to him find opportunity to sharpen one another's beliefs and resolve to follow God as they study and share their experiences with one another as God leads each one. Pray they are willing to be open with one another in their failures and needs so that they can pray for one another.

Day 5 - Pray that your husband and the Godly men sent to him strengthen each others resolve to follow God and His statutes no matter the earthly consequences giving them the strength, wisdom, and sound judgement to lead God's church into the last days.
