

Week 22

*The prudent sees danger and hides himself, but the simple go on and suffer for it.
Proverbs 27:12*

We destroy arguments and every lofty opinion raised against the knowledge of God and take every thought captive to obey Christ. 2 Corinthians 10:5

Day 1 - Pray that your husband continually renews his mind in God, seeking to glorify Him only in his thoughts and actions. Pray that God guards his heart, his mind, his eyes, and his urges as a man to remain in His will.

Day 2 - Pray that God reminds your husband to hide himself from temptation and that he surrender his every thought to God in obedience to God's will for him and his life.

Day 3 - Pray that God helps you to be the wife your husband needs; to seek His will for you both and that God helps you to continually surrender and submit to His will for you both and to surrender to your husband as the leader of your home. Ask that God gives you a spirit of quiet service to witness to your family and to glorify God. Pray that God gives you a spirit of quiet service to witness to your family and to glorify God and that they see God when they look at you.

Day 4 - Pray that God brings His light, His Love, His Spirit, His countenance, and His wisdom into your home; that He not only renew your husband's mind and guard his heart, but that as a family, He helps you walk in the knowledge of God forsaking all evil and every lofty thing that promises something more than what Christ offered on the cross.

Day 5 - Pray that your husband remain prudent, seeing and understanding the dangers of what the world has to offer. Pray that God gives him the desire to remain faithful and gives him wisdom on how to remain in Christ as the world comes against him.
