Speakers Mike & Lynn Ortel

Having a great relationship with God is a great way to live! Mike and Lynn Ortel invite you to explore Great Grace...Great Life, where the relevant biblical principles of enjoying life with God and each other are explored. With an invitation that says, "Come Unto Me" from the One who wants the very best for us, what can we say but, "Sure, I'll be right there!" The Ortel's passion for vibrant, healthy connections with God and others is based not only on their personal challenges and victories of relating to God and people, but also the professional education in which they have invested. Mike is an ordained minister with his Master of Divinity degree. He also has his Masters degree in Public Health. Lynn is a retired registered nurse and is a licensed professional counselor. They enjoy presenting together on the Great Grace offered to enjoy and experience a Great Life.
