

Ideas for Prayer of Healing:

- 1) Have anointing oil ready to lay hands on people.
- 2) Have not only the pastor but elders of the church and Prayer Ministry Leader available to lay hands on the sick and the hurting
- 3) Have music playing that is either meditative or that speaks about healing (Songs like "Break Every Chain" or "Power in the Blood")
- 4) Use congregational songs between laying of hands on different people to worship together as we pray together.
- 5) Use the Power Point to move through the service.
